SPECIAL GIFTS AND BEQUESTS

From time to time we receive special gifts and bequests for the benefit of Holston Home. These special gifts and bequests are not part of or reported in the operating budget as they are received directly into the Endowment fund. The purpose of the Endowment is to provide funding, in perpetuity, to the Home to ensure the continuance of its mission.

Our Services

In 2025–26, our services touched the lives of 462 children in Tennessee & Virginia.
The services that Holston Home provided are identified below.

CHRISTIAN LIFE is the foundation of all our services. Last year, 38 of our youth made first-time professions of faith and 43 were baptized.

BRUMIT CENTER provided preparation for adult living services to 18 youth who were aging out of the foster care system and facing the challenges of adulthood.

RESIDENTIAL CARE provided nurture, care, education and treatment for 131 adolescent boys and girls. These centers provide the most intensive services in our continuum of care for youth who may have been abused, may have emotional or behavioral problems, or find themselves struggling with negative influences in their community.

HOME-TO-STAY PROGRAM, provided up to four months of family counseling services to successfully reunite 15 children and youth with their families.

RIVER ACADEMY, our accredited on-campus school, served 2 special education day students from area school systems and provided education for 154 of the youth in our residential and Brumit programs. During 2025–26, 11 youth earned high school diplomas.

FOSTER HOMES provided loving care in a family setting for 90 children and youth. Of

these, 36 children were served through our Family Service Center in Tennessee and 57 children were cared for through our center in Southwest Virginia. Another 12 of our foster children were adopted by their foster families.

EARLY CHILDHOOD EDUCATION CENTERS served 183 preschool children and infants. Both of our centers received the highest rating of Three-Stars by state licensing entities.

HOPE & THRIVE ACADEMY provides educational opportunities for adults with intellectual and developmental disabilities and served 32 students in life skills, job employment, language arts/book club, art, and fitness classes.

RECOVERING HEARTS helped 29 women who struggled with addiction. Four women graduated from the program. We saw 5 mothers receive ongoing visitation with their children along with 5 first-time professions of faith and 5 baptisms.

“TASTE AND SEE” FOOD TRUCK ministers to at-risk communities by creating meaningful relationships that allow us to share the gospel while meeting tangible food insecurity needs. Last year, 2,352 children and 1,388 adults were reached.
